Our drivers will wait approximately 2 minutes for your child, if your child is not ready, our driver will leave to finish their route. We will come back around to pick your child up after our routes are completed and an additional fee of \$10 will be added to your account. It is important that your child be ready in order to get to school on time. If for any reason your child cannot ride on any particular morning, please call or text us one hour before your pick up time. Failure to communicate with us after the second time will incur an additional fee of \$10 each time.

8. AFTERNOON PICK UP: Our drivers work with each school for location of pick up. All riders will be waiting together to get on the vehicle. Elementary schools are normally picked up in the daycare line. *It is the parent's responsibility to notify their school that their child will be riding Taxi Mom.*

Junior High and High School students need to be ready in the front of the school or designated meeting area for all Taxi Mom riders based on the driver's preference. We will determine a location during the first week. We will wait 10 minutes after the first bell. If your child is not ready, we will leave to finish our route. Additional fees will be charged to your account if we have to come back around. Fee's will vary on circumstances.
